Museum's Sponsorships Increase

**Mineral Wells, Texas
September 21, 2002**

The National Vietnam War Museum has added two new sponsors to its growing list of supporters.

Through the efforts of Board of Directors member Choi Nguyen, The Republic of Vietnam Air Force (VNAF) Veterans of Fort Worth accepted sponsorship status. This is the first such sponsorship from an organization not connected to US forces. Efforts are also underway to establish sponsorship relations with other allied country veterans' organizations.

In addition, the Louisiana State Council of the Vietnam Veterans Association (VVA) has joined the Texas State VVA organization as a museum sponsor. It is expected that both chapters will be supporting the effort to establish the national VVA organization as a museum sponsor.

These two new sponsors have joined an august group that includes NAM-POW (the organization of Vietnam POWs), The American Legion, the Americal Division Veterans Association, and The Vietnam Center at Texas Tech, to name but a few.

To learn more about the efforts to establish The National Vietnam War Museum, or about sponsorship requirements and opportunities, contact them at P.O. Box 146, Mineral Wells, TX 76068.
